

A note about insurance from your Landlord:

We want to keep you and your belongings safe so Letsrent are careful about advertising exactly where our properties are located; we don't erect boards or mention house numbers.

All our houses are insured for the structure, fixture and fittings but students are responsible for their own content insurance.

We suggest you check your Parent/Guardian's own home insurance regarding possible cover for your belongings as many cover items at university up to a certain amount and can be added to with specific extras if you wish.

Letsrent recommend Endsleigh Insurance if you are not covered under another policy as they specialise in student insurance. A link to their website is available on our Links page.

Please note:

Most policies will not cover your belongings when you are away from the property for more than 30 days (some less) so please take your valuables away during long breaks.

However neither we nor you can claim for damages or theft if the property has not been left securely and we will look to the tenants to pay for repairs or loss if we can prove that windows or doors etc have not been closed or locked. Please also be aware of valuables that can be seen from windows, we don't want to tempt burglars.
